

GEISINGER MEDICAL CLINIC
LEWISTOWN, PENNSYLVANIA

The Lewistown Geisinger Medical Clinic is a two-story out-patient medical facility designed to direct patient flow past one checkin/checkout station on each floor.

The clinic incorporates a laboratory with separate phlebotomy rooms, an X-ray suite with room for ultrasound and mammograms, an EKG/stress testing suite, chemotherapy suite, ophthalmology suite, four treatment/minor surgery rooms, forty-eight examination rooms and a pharmacy. Offices are provided for administration personnel and medical staff.

Patient waiting rooms on both floors are located in an atrium space at the front of the building.
