

GEISINGER MEDICAL CLINIC

200 SCENERY DRIVE
STATE COLLEGE, PENNSYLVANIA

The State College Geisinger Medical Clinic is a two story out-patient medical facility with provisions for future expansion of the second floor and for a future third floor. This enabled the owner to see the building as it should appear at the completion of Phase 1, Phase 2, and Phase 3 construction.

The clinic incorporates a laboratory with separate phlebotomy room, an X-ray suite with a room for ultrasound and mammograms, an EKG/stress testing suite, three treatment/minor surgical procedure rooms, thirty-six examination rooms, and a pharmacy. Patient waiting rooms on both floors are located in an atrium space at the front of the building.

Owner: Geisinger Medical Clinic
Key Project Staff: John C. Haas, AIA
Competition Date: 1991
Construction Cost: \$3,985,000
Gross Floor Area: 30,800 Sq. Ft.
